

Door coupling handle, for Modan, 90 degree, Twisted

Part no. **PKE32-XHT-M**
173424

General specifications		
Product name		Eaton Moeller® series PKE Door coupling handle
Part no.		PKE32-XHT-M
EAN		4015081698271
Product Length/Depth		235 millimetre
Product height		66 millimetre
Product width		64 millimetre
Product weight		0.16 kilogram
Certifications		CE
Product Tradename		PKE
Product Type		Accessory
Product Sub Type		Door coupling handle
Features & Functions		
Features		Lockable
Fitted with:		Door interlock Axis extension
General information		
Degree of protection		NEMA Other

Technical data ETIM 9.0

Low-voltage industrial components (EG000017) / Door coupling handle for switchgear (EC000230)		
Electric engineering, automation, process control engineering / Low-voltage switch technology / Circuit breaker (LV < 1 kV) / Hand drive for switch devices (ecl@ss13-27-37-04-15 [AKF013019])		
With axis extension		Yes
With door interlock		Yes
Lockable		Yes
With handle red/yellow		No
Degree of protection (NEMA)		Other
