

Motor operator, 220 - 250 V DC

**Part no.**                    **IZM-M220DC-1**  
**303769**

Product name	Eaton IZM32/IN32 motor operator
Part no.	IZM-M220DC-1
EAN	9010238192720
Product Length/Depth	190.5 millimetre
Product height	165.1 millimetre
Product width	177.8 millimetre
Product weight	3.103 kilogram
Compliances	RoHS conform
Product Tradename	IZM32/IN32
Product Type	Accessories
Product Sub Type	Motor operator
Accessory/spare part type	Withdrawable units
Control voltage operating range	220 - 250 V DC
Special features	If ordered separately a secondary terminal unit IZM-SEC-... is necessary for connection. Order separately if required.
Used with	IZM63... IN63...
